F&P SleepStyle

Our focus on doing what is best for the patient is what drives us to design comfortable, simple solutions that improve quality of life.

At Fisher & Paykel Healthcare, seeing patients have a good sleep is at the heart of what we do. This is what drives us forward. And we like to call that **Care by design™**.

**We refer to CPAP in this instance, but this may also include other positive airway pressure device modes such as APAP or Bilevel. Masks must be used with a PAP device to deliver therapy.*

Prescription only. Use only as directed. Always follow the instructions for use. Your healthcare professional will advise you whether this product is suitable for you/your condition.
